

## Getting to Alton Abbey by Car

**Alton Abbey, Abbey Road, Beech, Alton, Hants, GU34 4AP**

We are keen to promote car sharing, to help reduce our carbon footprints, and are very grateful to those who offer to share transport in this way. It is suggested that the cost of the journey be shared, divided between the number of people in the car.

The booking form enables you to offer and ask for lifts in this way.

**Please note:** This post code takes you into the 'Jardinique' garden centre. This is just opposite to the Abbey so look out for the red and white Alton Abbey sign nearby. Further info below.

If you find your SatNav fails on the Medstead Road at the bottom of the deep, wooded valley, please refer to the instructions below.

### **Alton may be approached from the M3, A31 and A339.**

From the A339, take the exit for Beech onto Medstead Rd and follow the long hill for 2 miles. Do not turn into Wellhouse Rd at the "Church" sign; it refers to St Peter's, the local parish church, which is nowhere near the Abbey! Likewise, do not be distracted by the grand, gated entrance of "Priory House"; it is a private residence, unassociated with the Abbey.

As you finally crest the hill you will exit the tree-line and the first thing you will see is a pair of 40mph speed signs and a large green sign for "Jardinique" garden centre on the left-hand-side of the road. Directly opposite the latter is the Gatehouse for the Abbey. You will see a large red-and-white sign for the Abbey once you are nearer the off turn. There is ample parking space at the end of the short driveway.
